IceContact^{XTRM}

Why is the IceContact^{XTRM} the best tire for Canadian winters?

Tier 1 Quality

Best-in-class, German engineering, competitively priced.

Improved traction and braking

Designed with 9 side elements for enhanced grip on snow and slush.

Long lasting

Only 7/32" of wear after 63,000 km of city driving.

93 sizes, all available pre-studded and studdable

Studdable

Studdable

- Connected center rib design for a more stable drive.
- Deep structure with directional profile providing better fuel efficiency.
- Connected siping designed to combat stone retention.

Grooves

- Efficient groove network for improved handling on snow and slush drainage.
- Flexible footprint, dynamic on uneven or bumpy roads.

Tire tread

- Noise reduction for a more pleasant drive.

All In-factory Studded tire features and benefits apply as well.

In-factory Studding

Studs

- TriStar studs for a better grip on snow than standard round studs.
- Lightweight aluminum head for road wear resistance.
- Stud retention technology making studs up to 4 times more sturdy.
- Crushed ice reservoir on each stud for a firm grip during braking and optimized flow of ice under the tire tread.

Take control. **Enjoy.**

Don't miss out on the tire made for Canadian winters.

Total Confidence Plan

The IceContact^{XTRM} offers an additional measure of trust because it is supported by the Total Confidence Plan including:

Consumer satisfaction

60-day customer satisfaction guarantee (or the first 2/32" of tread wear).

Roadside assistance

3 years of roadside assistance, including complimentary tire change or towing up to 250 kilometres in case of a flat tire.

Road hazard

Promise of free replacement within the first 12 months following purchase.

Limited warranty

Warranty available up to a maximum of 72 months.

Mileage warranty

Up to 128,000 kms.

Emergency trip coverage

If you have a mechanical breakdown during a road trip, we'll help cover eligible expenses.

"An excellent tire with good traction,
on ice as well as snow."

– Nick Adair, New-Brunswick

IceContact^{XTRM}

93 sizes

**all available pre-studded
and studdable**
